

NEOREST 750H

The Neorest 750H with Actilight technology is truly a revolutionary innovation at the peak of luxury.

This intelligent toilet uses an integrated UV light and special glaze to break down dirt and grime in the bowl, and rinses it clean with ewater+.

And with other features like a heated seat, deodorizer and warm water sprays, Neorest 750H delivers an unparalleled sense of relaxation to you in the most comforting and refreshing ways possible.
