NEW

# Express ELX-Series

Ideal for schools, retail, rec centers,  
municipal office buildings and transit stations

Bradley's Express ELX-Series Lavatory System perfectly blends the benefits of a one-piece multi-user bowl with the desire for personal space. Designed to handle the demands of a commercial restroom. Day-in, day-out. Year after year. Worry free.

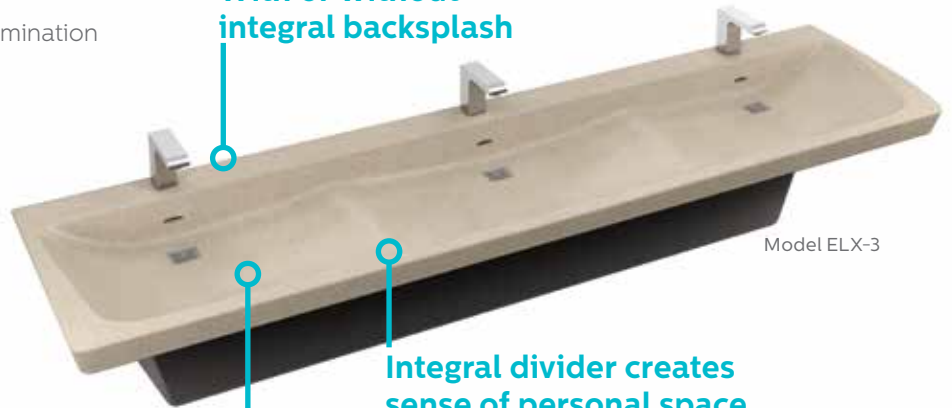

## Value beyond the ordinary

- Contoured design is easy to clean and maintain
- Seamless construction eliminates mold and delamination
- Terreon® solid surface offers superior durability and repairability
- Unique mounting plate for faster installation
- Single rough-in for new construction or for easy retrofit

## Greater design flexibility

- Choose your own faucet and soap
- Available in a full line of solid surface colors
- Available in 2 or 3 station models
- ADA and TAS compliant 

With or without  
integral backsplash

Model ELX-3

Integral divider creates  
sense of personal space

Water stays contained - no puddling
